Project Name	Project – Statistical Machine learning approaches for Liver disease Prediciton
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Customer	To find the type of liver disease	I can't find the type of liver disease I'am affected	There is no facility to find the type of liver disease	Unsatisfied with the prediction result
PS-2	Customer	Find the best suggestion /treatment in application module	There is no better suggestion/treatment for patient	There is no facility to find the better suggestion/module in application module	Disappointed with the application module
